

AGENTS OF CHANGE CAMPAIGN

Main Street Housing and On Our Own of Maryland have launched the **AGENTS OF CHANGE** Campaign in order to raise significant funds to meet our most pressing and important need: expanding our education, outreach, advocacy and service programs that meet the needs of Maryland citizens using behavioral health services through **expansion and enhancement of our new permanent headquarters**. Our work enriches the lives of the people we serve and ensures the voices of people with lived experience guide behavioral health policy, service design and delivery.
